US 12 Heritage Trail

Questions and Answers

Q. WHERE are the YARD SALES? Yard sales can be found along the US 12 Heritage Trail at homes located on the designated route, in business parking lots, along side streets adjacent to the route, in wide open fields and pastures (remember, US 12 passes through beautiful rural areas with farms and some of the most awesome scenery you will find anywhere), and basically anywhere people can find to set up. Some areas will have large numbers of vendors in one group, others may be scattered and in some instances you may travel for several miles or more without seeing a yard sale because of the distances between homes on the country roads.

Q. Where does it BEGIN and where do I PARK? A. The current length of the sale takes you from New Buffalo Michigan to Detroit. You might decide to start at the eastern end and travel west or the opposite. You may decide to jump on board anywhere in between. Parking may be limited in some areas to virtually impossible in other places to ample. It depends on the area. **VERY IMPORTANT - be cautious of the driver in front of you and pedestrians on the roadway - be patient and a parking space will present itself.**
